Thank you for your interest in White Farms Genetics ! All bulls listed for sale have been semen tested, vaccinated, dewormed and are ready to go to work for you !!! Bulls are sold on a first come, first served basis. Come by and take a look at our offering... The genetics are a "Can't Miss" for your program. We're excited about our 2018 calves hitting the ground...which will include our Bulls for 2019 and our Show Heifer Prospects that will be available soon. As always, feel free to call for more information about our bulls, replacement females, and genetic packages.
