- Hustler started it all at White Farms, he's known for his time-tested calving ease and great maternal traits.
- As one of Goldmine's greatest sons, he has an outcross pedigree with extreme accuracy.
- Still in action today, he has stood the test of time and continues to produce sound, easy-calving, easy-fleshing cattle . . . his best days could be right in front of him.
- Hustler bred 40 cows last spring at the age of 12; a true testament to his structure and stayability.
